THE ALDAN AMERICAN STORY

Learn more about us at:
aldanamerican.com/all_about_aldan/

Great rides start with the right suspension.

Let our team of suspension experts guide you to the best suspension on the road. Guaranteed to fit. Backed by our 100% satisfaction guarantee.

There are many ways to upgrade and improve your vehicle's suspension, but what is the best option for your ride?

Our expert team at Aldan American knows suspension. For over 40 years we've designed and manufactured Aldan American coilovers and shocks here in the U.S.A. while helping guide our clients in selecting the proper suspension performance parts for their cars and trucks.

Whether you're replacing, building new, or looking to upgrade your suspension - the process is simple. Go to our website (scan code below) and download one of our free, 5-Minute Suspension Guides. With your guide filled out, submit it on our site or give our team a call and we'll help you select the best options and part numbers you need based on your vision for your ride. We will help you select your suspension correctly the first time with our proven process.

Don't let your suspension slow you down.

The team at Aldan American is here to help you get the right suspension parts fast.

Choose with confidence. Install with Ease. Upgrade to amazing ride quality.

PRODUCT HIGHLIGHTS | MUSCLE CAR

GM/CHEVY

1964-1972 A-BODY COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered Front, 0.0-3.0 in. Lowered Rear
- Double Adjustable Coilovers
- Spring Rate: F: 550 lbs./in. R: 160 lbs./in.
- Works with factory or after-market tubular control arms.
- SKU: 300238 shown

1958-1996 B-BODY COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Single Adjustable Coilovers
- Spring Rate: 450 lbs./in.
- Coilover Kit Position: Front
- Works with factory or after-market control arms
- SKU: 300134 shown

1967-1981 F-BODY SUSPENSION PACKAGE

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Single Adjustable
- Spring Rate: 450 lbs./in. Front
- Kit Position: Front & Rear
- Provides full adjustment of front shocks, springs and rear shock damping.
- SKU: 300114 shown

1968-1974 X-BODY COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Front Lowered
- Double Adjustable
- 180 points of adjustment
- Front Spring Rate: 450 lbs./in.
- Coilover Kit Position: Front
- Works with factory or after-market tubular control arms
- SKU: 300233 shown

1978-1988 G-BODY COILOVER CONVERSION

- Adjustable Ride Height: 0.0-2.0" Lowered
- Spohn RRX Upper and Lower Control Arms Included
- 2.0 Degrees Added Caster
- RCX - Double Adjustable Coilovers Included
- Bolt-on design for factory-like fitment and easy installation
- SKU: A0012 shown

1963-1981 CORVETTE SUSPENSION PACKAGE

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Double Adjustable
- Spring Rate: 450 lbs./in.
- Includes all hardware needed for conversion
- SKU: 300315 shown

FORD

1965-1973 MUSTANG SUSPENSION PACKAGE

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Single Adjustable
- Spring Rate: 450 lbs./in. Front
- Kit Position: Front & Rear
- Full adjustment of front shocks, springs and rear shock damping
- SKU: 300124 shown

1966-1970 FAIRLANE COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Single Adjustable
- Spring Rate: 450 lbs./in.
- Coilover Kit Position: Front
- Works with factory or after-market control arms
- SKU: 300179 shown

1965-1973 FALCON COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Single Adjustable
- Spring Rate: 550 lbs./in. Front
- Coilover Kit Position: Front
- Provides full adjustment of front shocks and springs
- SKU: 300127 shown

PRODUCT HIGHLIGHTS | TRUCK

CHEVY/GMC

1963-1987 C10 COILOVER CONVERSION KIT

- Bolt-on design w/ fully adjustable coilovers & tubular control arms
- Single Adjustable
- Spring Rate: 650 lbs./in.
- POL Upper and Lower Tubular Control Arms
- Upper and Lower Ball Joints
- SKU: 300136 shown

1988-1998 C1500 (OBS) SUSPENSION PACKAGE

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Single Adjustable
- Spring Rate: 700 lbs./in.
- Includes all required hardware for installation
- SKU: 300172 shown

1999-2006 1500 COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Single Adjustable Coilovers
- Spring Rate: 900 lbs./in. for Extra Cab & Crew Cab Trucks
- Works with factory or aftermarket control arms
- SKU: 300342 shown

2007-2018 SILVERADO SIERRA COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Single Adjustable Coilovers
- Spring Rate: 700 lbs./in.
- Coilover Kit Position: Front
- Works with factory or aftermarket control arms
- SKU: 300190 shown

Let our team of suspension experts guide you to the best suspension on the road.

Guaranteed to fit.
Backed by our 100% satisfaction guarantee.

FORD

F100 (CROWN VIC SWAP) COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Double Adjustable
- Spring Rate: 650 lbs./in.
- Coilover Kit Position: Front
- Works with factory or aftermarket control arms
- SKU: 300335 shown

1997-2003 F150 COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered Front
- Double Adjustable Coilovers
- Spring Rate: 800 lbs./in.
- Coilover Kit Position: Front
- Works with factory or aftermarket control arms
- SKU: 300357 shown

1997-2003 F150 SHOCK KIT

- OEM-like Fitment
- Double Adjustable
- Easy to tune for a smoother ride
- Shock Position: Rear
- Fully rebuildable & serviceable
- SKU: 300359 shown

PRODUCT HIGHLIGHTS | LATE MODEL

CHEVY

1988-1996 CORVETTE (C4) COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered F&R
- Double Adjustable
- Spring Rate: 500 lbs./in. F&R
- Works with factory control arms
- Front Sway Bar Relocation Kit Required – Sold Separately
- SKU: 300271 shown

1997-2004 CORVETTE (C5) COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered
- Double Adjustable Coilovers with 66 points of adjustment
- Spring Rate: 500 lbs./in.
- Coilover Kit Position: Front
- Works with factory or after-market tubular control arms.
- SKU: 300244 shown

2005-2013 CORVETTE (C6) COILOVER KIT

- Adjustable Ride Height: 0.0-2.0" Lowered Front & Rear
- Single Adjustable Coilovers
- Spring Rate: 500 lbs./in. front, 550 lbs./in. rear
- Coilover Kit Position: Rear
- SKU: 300275 shown

FORD

1979-2004 MUSTANG COILOVER KIT

- Adjustable Ride Height: 0.0-3.0" Lowered Rear
- Double Adjustable Coilovers
- Spring Rate: 160 lbs./in.
- Coilover Kit Position: Rear
- Works with factory-style rear ends
- Will not fit Cobra models with factory IRS
- SKU: 300216 shown

2015-2022 MUSTANG LOWERING SPRING KIT

- Lowers front 1.25 in., Lowers Rear 1.25 in.
- Set of 4.
- Replaces stock springs for an easy installation.
- Coilspring Kit Position: Front & Rear
- SKU: 500100 shown

2008-2022 CHALLENGER LOWERING SPRING KIT

- Lowers front 1.25 in., Lowers Rear 1.3 in.
- Set of 4.
- Replaces stock springs for an easy installation.
- Coilspring Kit Position: Front & Rear.
- SKU: 500101 shown

1992-1995 VIPER (GEN 1) COILOVER KIT

- Adjustable Ride Height: 0.0-0.5". Lowered Front & Rear
- Double Adjustable Coilovers
- Spring Rate: 550 lbs./in. Front; 650 lbs./in. Rear
- Position: Front & Rear
- High tensile coil-springs
- SKU: G1SB4 shown

CUSTOM SHOCK SELECTOR: Which Coilovers Are Right For Me?

Use these three factors to determine which shock absorber is right for your vehicle:

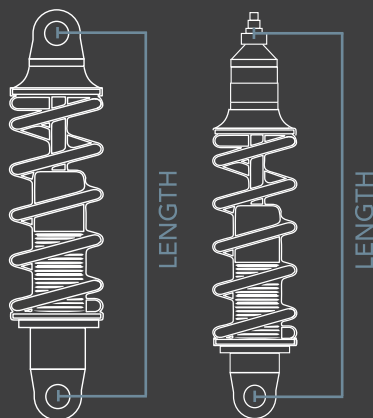

1) Desired Ride Height, 2) Vehicle Usage and 3) Mount Type and Size.

Also try our custom shock selector here: aldanamerican.com/coil-over-shocks/

1) Desired Ride-Height

First determine your vehicles stance front and rear. Once you have your vehicles stance, your ride height will be the measurement from mounting bolt to mounting bolt of where your coil-overs will bolt onto your chassis, when the vehicle is sitting on level ground.

2) Vehicle Usage

Is your car built for the Street? Track? Road-Course? Drag Racing? - Each type of use works best with a set shock

- Street - Single Adjustable or Non-Adjustable
- Track - Single Adjustable or Double Adjustable
- Road-Course - Single Adjustable or Double Adjustable
- Drag-Racing - Single or Double Adjustable

3) Mount Type and Size

What is the diameter of the mount your shocks will be bolting to? What size and style of mounts will you need?

- Bushing - 5/8", 1/2" | Best Ride for Street Use
- Bearing - 1/2" x 1/2" Wide, 1/2" x 1" Wide, 1/2" x 1 1/2" Wide | Best for Racing use and tight clearances.

Ordering Aldan American Coilovers & Shocks: Here's How To Find The Part Number That's Right For You

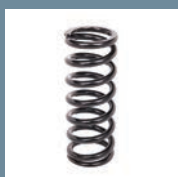

Selecting Coilovers & Shock Absorbers

Example Part Number:

AS-654

① Mount Type: **AS** = Bushings
PAS = Bearings

② Shock Model

Selecting Coil Springs

Example Part Number:

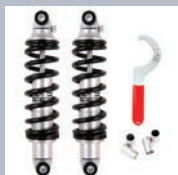

10-250BK 2

① Coil Spring Length in Inches

② Spring Rate (lbs./in)

③ Finish: **BK** = Black Powder Coat
CH = Polished Chrome Plated

④ Optional: Add the number "2" after each coil-spring part number to order a PAIR of coil springs

Selecting A Coilover Complete Kit

Example Part Number:

A654250B

*Coilover Complete Kits include one ALD-1 Adjustable Spanner Wrench

① Mount Type: **A** = Bushings (includes 5/8" & 1/2" sleeves) **P** = Bearings (includes 1/2" I.D. x 1" wide PTFE Kevlar bearings)

② Shock Model: (See model specs on pages 4-7.) Please note that coilover selected will determine spring length. For example, coilover AS-654 uses a 10" long coil-spring.

③ Spring Rate: Select from Pages 11-12

④ Spring Color: **B** = Black Powdercoat

COILOVER SHOCK LINE-UP

STRIKER SERIES Double Adjustable – Rebound + Compression

- Double Adjustable (Rebound + Compression) - Greatest Adjustability
- 66 Points of Adjustment – Keep tires planted longer, leave the line faster
- Nitrogen Charged – Provides a smoother, more consistent ride
- Made in U.S.A. – Designed with lighter weight, higher strength billet mounts, bodies & hardware
- Serviceable & Rebuildable – Never buy new shocks again
- Use with 2.5" I.D. Coilsprings
- AS Models include 5/8" & 1/2" Sleeves (1-3/8" Wide)
- PAS models include 1" x 1/2" I.D. Bearings (Additional Bearing Options and Sizes available)

PHANTOM SERIES Single Adjustable - Rebound

- Single Adjustable (Rebound) – Top Selling Series
- 11 Points of Adjustment – Easiest to Adjust and Tune for smoother ride
- Nitrogen Charged – Provides a smoother, more consistent ride
- Made in U.S.A. – Designed with lighter weight, higher strength billet mounts, bodies & hardware
- Serviceable & Rebuildable – Never buy new shocks again
- Use with 2.5" I.D. Coilsprings
- AS Models include 5/8" & 1/2" Sleeves (1-3/8" Wide)
- PAS models include 1" x 1/2" I.D. Bearings (Additional Bearing Options and Sizes available)

COILOVER SHOCK LINE-UP

PHANTOM SERIES Single Adjustable - Compression

- Single Adjustable (Compression) - Performance Valving
- 6 Points of Adjustment - Quick Adjust for Maximum Performance
- Nitrogen Charged - Provides a smoother, more consistent ride
- Made in U.S.A. - Designed with lighter weight, higher strength billet mounts, bodies & hardware
- Serviceable & Rebuildable
- Use with 2.5" I.D. Coilsprings
- AS Models include 5/8" & 1/2" Sleeves (1-3/8" Wide)
- PAS models include 1" x 1/2" I.D. Bearings (Additional Bearing Options and Sizes available)

500 SERIES Non Adjustable - Factory Tuned

- Non-Adjustable (Factory Set Rebound and Compression Settings)
- Excellent Value - Most Affordable U.S.A. Made Performance Coilover
- Adjustable Ride Height
- Lightweight 6061-T6 Aluminum Body, Mounts, & Hardware - Included
- Serviceable & Rebuildable - Never buy new shocks again
- AS Models include 5/8" & 1/2" Sleeves (1-3/8" Wide)
- PAS models include 1" x 1/2" I.D. Bearings (Additional Bearing Options and Sizes available)

COIL SPRING LINE-UP

Aldan American offers a wide variety of coil spring lengths and rates to fit your ride. We use only the finest, Cold-Wound High-Tensile Chrome Silicon Steel on our 2.5-inch I.D. (Inside Diameter) Coil Springs. All of our springs are designed and manufactured here in the U.S.A. We offer black powder coat or a hard polish-chrome finish on our springs. Aldan Coil-Springs hold a Lifetime Warranty. With normal use and proper maintenance, all Aldan Coil-Springs will hold 2% of their original rate and length over time.

- Made In the U.S.A
- Each Spring is Tested and Rated
- Lifetime Warranty on all Aldan Coil Springs
- Lightweight
- Greater Travel
- Precise Rates and Linearity
- High Durability Finish
- Available in 6", 8", 9", 10", 12" Lengths
- Coil Rates Available from 100-900 lbs/inch

- Powder Coated Black or Show Quality Chrome Finish
- Cold-Wound High-Tensile Chrome Silicon Steel
- Flat-Ground Ends with Tolerances to +/- 1 Degree

** Note When Ordering a PAIR of Coil-Springs:*

Optional: Add a "2" after each coil-spring part number to order a PAIR of coil-springs.

Example Part Number For a Pair of Coil-Springs: 10-250BK2

QUICK SELECT STREET ROD SPRING RATE GUIDE

Use the chart below as a baseline for selecting Street Rod Coil Spring Rates. It will get you into the ballpark, but feel free to call us for more specific applications.

*Note - Spring rates below are a starting point, please call before ordering to confirm the correct spring rate for your car.

General Description	Front/Rear (Rate/Inch in lbs.)
4-cylinder, V-6 T-bucket, Track T	300/160
V-8 T-bucket, V-6 Hiboy Roadster	350/180
'29-'32 full-fendered coupes, "A" sedans w/Sm. Block	400/200
'32-'34 sedans, '35-'36 coupes w/Sm. Block	400/250
'35 and up sedans, '37-'40 coupes w/Sm. Block	400/300
Above cars w/Big Block	450-550/(See "Rear" rates above)
Jag Rear Ends	N/A/180-250

ALDAN AMERICAN COIL SPRINGS

Our coil springs are cold wound, chrome silicon wire then powder coated gloss black. Chrome springs are available as an option. All springs are color coded reflecting the amount of weight necessary to compress the spring one inch.

WEIGHT CODE CHART

Color Code: W/White, R/Red, B/Blue, Y/Yellow, G/Green

[Color codes are located at the top or bottom of each coil spring.]

Ordering Information and Our Guarantee

ORDERING BY PHONE / FAX / E-MAIL

Business hours: 8AM to 5PM (PST), Monday through Friday Call in your order: (310) 834-7478 Fax your order to: (310)-943-1964 or E-mail your order to us at: sales@aldanamerican.com You can also order anytime at: www.aldanamerican.com

PAYMENT

Currently, we accept PayPal®, Visa®, MasterCard®, Discover®, and American Express®. Additional finance options are available on our website: www.aldanamerican.com

SHIPPING

We ship all orders via UPS, FedEx or USPS.

CUSTOM ORDERS

We require 50% advance payment for custom products prior to actual manufacture. If the order is cancelled, such advance payment cannot be refunded. We do not accept special orders for return.

INTERNATIONAL ORDERS

International orders may be placed online at our website www.aldanamerican.com or by emailing our team at sales@aldanamerican.com

RETURN MERCHANDISE

New (re-sellable) products may be returned and refunded within 30 days of receipt of your order. Before returning your item, you must call Aldan American for a "Return Material Authorization Number" (RMA#). We will send you an RMA form to complete before sending your return item. Approved returns after 30 days will be subject to a 20% restocking fee. Aldan American will only accept returns that have not been modified; are still in the original packaging and are in new condition. All shipping charges are the responsibility of the customer. For products purchased from an authorized dealer, their return policy applies — please contact them directly for more information.

GUARANTEE

We guarantee our products to be free from defects in material and workmanship as long as you own the car. We will repair or replace, at our option, any Aldan American product found to be defective, subject to our inspection and approval. Proof of purchase necessary.

See warranty notice below for details.

*All prices subject to change without notice.

Shock Absorber Service

Aldan American billet aluminum coilovers and shock absorbers are factory serviceable and fully rebuildable. Factory service options can save you money, as well as increase the life span of your shock absorbers.

If you'd like to schedule your factory shock service today, please scan this QR code to start the service process:

Warranty Notice

THE PURCHASER IS RESPONSIBLE FOR DETERMINING THE SUITABILITY OF ANY AND ALL PRODUCTS PURCHASED FROM ALDAN AMERICAN.

100% Satisfaction Guarantee

All Aldan American branded products carry a 100% satisfaction guarantee against defects in original materials and workmanship. We guarantee our products to be free from defects in material and workmanship as long as you own your vehicle (To the Original Purchaser). We will repair or replace, at our option, any Aldan American product found to be defective, subject to our inspection and approval. Aldan American does not warranty products or damage caused to our products by the correct or incorrect installation of other manufacturer's products. Be sure to retain your original proof of purchase when making a claim. *Proof of purchase necessary.

Please contact us directly for a written return authorization before sending anything back. No credits of any kind will be offered without such authorization.

California Proposition 65

What is Prop 65

The Proposition 65 law applies to any company operating, manufacturing, or selling products in the state of California. These warnings are a result of a California State Law passed in 1986—the California Safe Drinking Water and Toxic Enforcement Act of 1986 (known as "Proposition 65").

What does a Prop 65 warning mean in regards to the products in this catalog?

Proposition 65 may be best defined as a "Right to Know" law and Proposition 65 warnings are not an indication that a product is violating safety standards or regulations. At Aldan American, we work with our suppliers and provide these warnings to our customers to comply with the state laws of California and the regulations within Proposition 65.

Additional Prop 65 links and resources:
