

DZL 15W-40 CK-4 Synthetic Blend Diesel Engine Oil

DZL 15W-40 CK-4 Synthetic Blend Diesel Engine Oil delivers superior wear protection for modern high-performance diesel pickups, RVs, and work vehicles. Designed for heavy loads, steep grades, and extended idle periods, it maintains engine cleanliness, controls soot and provides oxidation stability. Its synthetic blend ensures excellent low-temperature flow, extended oil life, and reliable performance in both on- and off-road conditions.

JGP30408
by Driven

Synthetic blend for peak performance

Handles heavy loads, steep grades, and high idle

Superior engine cleanliness and soot control

Strong oxidation stability and TBN retention

Excellent low-temp flow for engine longevity
