Axle Tether

King Pin to King Pin · Hardware Included · 51-53 in Axles

OVERVIEW

King pin to king pin tether kit covering the 51 to 53 Inch axle range, which spans the most common front axle lengths and makes this the kit most cars will need. The tether ties both king pins together so the front axle assembly stays with the car if it fails. Confirm your axle length before ordering.

Hardware included, sold as a kit.

This king pin to king pin axle tether kit is designed for 51-53 Inch axles and is required by World of Outlaws and many other Sprint Car sanctioning bodies and tracks. Helps retain the axle in the event of a failure or disconnection. Hardware is included, sold as a kit.
