PART NUMBER

Wheel Hub

MPD13000

Sprint · Front · Hub / Bearings / Hardware / Seal / Studs Included · Aluminum · Black Anodized

OVERVIEW

The original MPD front hub, precision machined from 6061-T6 aluminum and supplied complete with bearings, seals, studs and hardware. Uses a step-style spindle and is fully compatible with Wilwood brake components, so it drops into most existing pavement brake packages without adapters. Black anodized finish.

Our original hub is precision machined from 6061-T6 aluminum and comes complete with hardware and seals. Uses step-style spindle and is fully compatible with the Wilwood 140-14495 brake kit. Kit includes bearings, races, seal, dust cap, wheel studs and hardware.
