Wheel Bearing Kit

PART NUMBER
MPD13014

Inner / Outer · Bearings / Races · Asphalt Sprint Car

OVERVIEW

Complete bearing kit for the MPD13000 front hub, supplying two bearings and two races to cover both the inner and outer positions. Rebuilding a hub with everything in one kit means no mismatched bearing brands or a half-finished job because one race was missed. Suited to asphalt sprint car applications.

Wheel bearing kit for the MPD13000 sprint car front hub. Includes 2 bearings and 2 races for both inner and outer positions. Suited to asphalt Sprint Car applications.
