PART NUMBER

Steering Arm

MPD14139

Beast Style · 2 in Tie Rod Centerline · Aluminum · Black Anodized

OVERVIEW

Beast style offset combo steering arm with a 2 Inch tie rod centerline, machined from 2024 aluminum and drilled and tapped 1/2 Inch NF for mounting. The offset clears components that a straight arm would foul on a Beast chassis front end. Black anodized, sold individually.

The MPD Racing sprint steering arms are machined from 2024 aluminum, drilled and tapped 1/2 Inch NF for mounting. This Beast style offset combo arm carries a 2 Inch tie rod centerline and is finished in black anodize. Sold individually.
