Torsion Bar Stop

PART NUMBER
MPD17210

1-3/4 in Split · Hardware Included · Steel · Black Powder Coat · Sprint Car

OVERVIEW

Steel torsion stop in 1-3/4 Inch split, made from 4340 and finished in black Powdercoat. Steel is the most durable of the three stop materials and resists the thread damage that comes from repeated adjustment. Supplied with steel bolt and jam nut.

Torsion stops are available in 1-3/4 Inch split. Steel stops are 4340 and include a steel bolt and jam nut. This version is finished in black Powdercoat.
