PART NUMBER

Steering Arm

MPD17708

Combo · Driver Side · 8-3/16 in Center to Center · Aluminum · Black Anodized · Sprint Car

OVERVIEW

Driver side combo steering arm for sprint cars, CNC machined from 2024 aluminum with an 8-3/16 Inch center to center dimension. The combo design offers more than one tie rod position, letting steering geometry be adjusted without changing the arm. Left and right arms are not interchangeable, so check which side you need.

Black anodized, sold individually.

Sprint Car steering arms are CNC-machined from 2024 aluminum with a black anodized finish. This driver side combo arm has an 8-3/16 Inch center to center dimension. Sold individually.
