Birdcage

Passenger Side · 2.145 in ID Bearing · Single Bearing · Bearing / Bolts / Washers · Aluminum · Black Anodized · Midget

OVERVIEW

Right rear midget birdcage in billet 6061 aluminum with split race angular contact bearing and hardware included. Birdcages are handed, so the passenger side unit is not interchangeable with the driver side. 2.145 Inch bearing bore, single bearing design.

The MPD billet birdcages are made of billet 6061 aluminum. They come complete with split race angular contact bearings and hardware. This is the right rear birdcage for Midget applications, with a 2.145 Inch ID single bearing and black anodized finish.

Includes bearing, bolts and washers. Sold individually.
