PART NUMBER

Torsion Arm

MPD20200

Rear · Driver Side · 33 in Setback · Hardware Included · Aluminum · Black Anodized · Midget

OVERVIEW

Midget left rear torsion arm with 33 Inch setback, machined from 2024 aluminum. Setback is the distance the arm positions the axle relative to the bar, so it is a chassis-specific dimension that must match your setup. Hardware included, black finish.

State-of-the-art torsion arm design saves weight and increases durability without sacrificing function. Made from 2024 aluminum with a straight left 11 Inch length. This is the rear driver side arm with 33 Inch setback, black anodized, hardware included.
