Steering Arm

Combo · Aluminum · Natural · Midget

PART NUMBER
MPD28271

OVERVIEW

Natural finish midget combo steering arm, offering the same multiple tie rod positions as the black anodized version with 7/16-20 Inch threaded mounts. Billet aluminum construction. Sold individually.

MPD steering arms are made of a high-quality billet aluminum. These arms work on all Midget steering applications and have 7/16-20 Inch threaded mounting holes. This is the combo steering arm with a natural finish.
