PART NUMBER

Spindle

MPD28410

Aluminum Body · 10 Degree Titanium Snout · Steel Locknut Included · 4 Ear · Aluminum / Titanium · Black Anodized / Natural · Midget

OVERVIEW

Four ear midget spindle with a titanium snout, combining the mounting flexibility of the four ear pattern with the weight saving of titanium at the bearing end. Billet 2024-T3 aluminum body with a 10 Degree snout and steel locknut included. Black finish, sold individually.

MPD Midget spindles are produced from billet 2024-T3 aluminum and are offered with both steel and titanium shafts. They come complete with spindle lock nuts. This is the 4 ear version with a 10 Degree titanium snout, black anodized body and natural titanium shaft.
