MPD28454

King Pin

0.815 in OD · 4.5 in Long · 5/8-18 in Thread · Caps Included · Titanium · Natural · Midget

OVERVIEW

Titanium midget king pin with cap included, matching the steel version at 0.815 Inch outside diameter and 4.5 Inch long. Choosing titanium here takes rotating and unsprung weight out of the front end while keeping the strength a king pin needs. Natural finish, sold individually.

MPD king pins are offered in both steel and titanium and come with the cap. This is the titanium Midget king pin with a natural finish for reduced weight, 0.815 Inch OD, 4.5 Inch long and 5/8-18 Inch thread. Caps included.
