Cleaning Tool

1 in Torsion Bar · Aluminum · Black Anodized

PART NUMBER
MPD30012

OVERVIEW

Cleaning tool for 1 Inch torsion bars and stops, clearing dirt and grease from splines so components seat correctly on reassembly. A spline packed with grit will not let a stop clamp square, which changes preload. Black anodized aluminum.

Keep your torsion bars looking new. Perfect for every tool box. Black anodized aluminum.

This tool is sized for 1 Inch torsion bars. Sold individually.
