TOOLS › SUSPENSION TUNING › BUSHING INSTALL TOOL

Bushing Install Tool

PART NUMBER
MPD30140

Aluminum · Black Anodized · 1.125 in Torsion Bar Bushings

OVERVIEW

Torsion bar bushing installer for sprint car bars, making bushing installation quick and preventing the bent or distorted bushings that come from driving them in by hand. Bushings are cheap but a damaged one binds the bar and hurts suspension response. Sold individually.

This tool makes installing torsion bar bushings quick and easy. A must for every toolbox, it also helps prevent bending or cracking the bushing flange during installation. Sized for 1.125 Inch Sprint Car torsion bar bushings.

Black anodized aluminum. Sold individually.
