PART NUMBER

Bushing Install Tool

MPD30144

Aluminum · Black Anodized · 7/8 in Torsion Bar Bushings

OVERVIEW

Bushing installer for 7/8 Inch bars, the 600 mini sprint size. Sized specifically to that bar diameter, as an installer for a larger bar will not locate correctly. Sold individually.

This tool makes installing torsion bar bushings quick and easy. A must for every toolbox, it also helps prevent bending or cracking the bushing flange during installation. Sized for 7/8 Inch torsion bar bushings used on 600s.

Black anodized aluminum. Sold individually.
