Wrench

Aluminum · Black Anodized · 3/4 in Radius Rods

PART NUMBER
MPD46001

OVERVIEW

Radius rod wrench in 3/4 Inch, built to grip rod ends properly instead of rounding them off the way an adjustable wrench does. Radius rods get adjusted constantly during setup, so a wrench that fits correctly saves both time and hardware. Sold individually.

MPD Racing's 3/4 Inch radius rod wrench is the toughest and highest quality wrench you can buy at any price. Made from 7075 aluminum, this durable wrench is designed to last a lifetime. Black anodized.
