PART NUMBER
MPD69020

Sprocket Carrier

1-1/4 in Axle · 7/16 in Mounting Holes · Quarter Midget · Aluminum · Black Anodized

OVERVIEW

Sprocket carrier for quarter midget belt drive systems, sized for a 1-1/4 Inch axle with 7/16 Inch mounting holes. The carrier is what holds the sprocket to the axle, so a sprocket change means unbolting from the carrier rather than pulling the axle apart. Machined from aluminum.

Hubs for the Quarter Midget Axle Belt Drive Sprockets. This carrier fits a 1-1/4 Inch axle and has 7/16 Inch mounting holes. Machined from aluminum with a black anodized finish.
