Fuel Filter

In-Line · 30 Micron · Stainless Element · 6 AN Male Inlet · 6 AN Male Outlet · Shut Off Valve · Aluminum · Black Anodized

OVERVIEW

Short 30 micron filter with a built-in shut-off valve and 6 An inlet. Fine filtration and fuel shut-off in a single compact unit, useful on a crowded chassis where a separate valve would need its own mount and another two fittings. Stainless steel element.

MPD in-line fuel filters feature a stainless steel element. This filter has a 30-micron element with a 6 An male inlet, 6 An male outlet and an integrated shut-off valve in black anodized aluminum. Sold individually.
