Fuel Block

8 AN Male Port · Three 6 AN Male Ports · Aluminum · Black Anodized

OVERVIEW

Fuel block with one 8 An male outlet and three 6 An male inlets, distributing fuel from multiple sources into a single feed. Consolidating the plumbing at one block cuts down on fittings and the leak paths that come with them. Black anodized aluminum.

Each fuel block has one 8 An male outlet and three 6 An male inlets. Black anodized aluminum construction. This fuel block is designed with perfect angles to keep the plumbing lines clean and tight.

Sold complete with fittings.
