Shutoff Valve

PART NUMBER
MPD76504

Fuel Shutoff · In-Line · 6 AN Male Inlet · 6 AN Male Outlet · Aluminum · Black Anodized

OVERVIEW

Billet in-line fuel shut-off valve with 6 An inlet and outlet, mountable anywhere between the fuel pump and the engine. A shut-off in the line lets fuel be isolated for service or in an emergency without draining the system. Black finish.

Lightweight in-line shut-off valve has a 6 An inlet and outlet. Can be mounted anywhere between the fuel pump and the barrel valve. Machined from billet aluminum with a black anodized finish.
