PART NUMBER

Birdcage

MPD81207

Driver Side · 2.750 in ID Bearing · Single Bearing · Hardware Included · Aluminum · Black Anodized · Sprint Car

OVERVIEW

Pro Series dirt sprint birdcage for the driver side, black anodized billet aluminum complete with angular contact bearing, torsion arm bolt and radius rod bolt. Supplying the bolts with the cage means the correct grade fasteners are used at two of the highest load points on the rear suspension. 2.750 Inch bearing bore, single bearing.

These black anodized billet aluminum birdcages are complete with angular contact bearing, torsion arm bolt, and radius rod bolt. 5-1/4 Inch split between radius rod and torsion arm. This is the driver side cage with 2.750 Inch ID single bearing.

Left and right sold individually.
