PART NUMBER

Shifter Cable

MPD84020

44 in Long · Steel Cable · Plastic Liner · Sprint Car

OVERVIEW

Shifter cable at 44 Inch, supplied complete with ends and ready to install. Steel cable inside a plastic liner, which keeps the action smooth and stops the cable binding in its housing as dirt works in. Suits sprint and midget applications.

Shifter cable complete with ends and ready to install. This is the 44 Inch long cable with steel cable and plastic liner for Sprint and Midget applications. Sold individually.
