Axle Spacer

PART NUMBER
MPD87006

0.375 in Wide Straight · Aluminum · Black Anodized · Sprint Car Axle

OVERVIEW

Rear axle spacer at 3/8 Inch wide, a straight spacer for sprint car axles that falls between the common 1/4 and 1/2 Inch sizes. Useful when neither standard increment lands on the wheel position you want. Black anodized aluminum, sold individually.

MPD Racing's axle spacer system uses a split cone spacer which allows moving the wheel in or out without going back to look for the right size spacer. This is the 3/8 Inch wide straight rear axle spacer in black anodized aluminum. Made in the USA.
