Header Nut

3/8-24 in Thread · 12 Point Head · Flanged · Titanium · Natural · Universal

PART NUMBER
TIP1124
View on PriceGuidePro ›

OVERVIEW

Header nuts retain the header to the cylinder head under constant heat cycling and vibration, which loosens ordinary hardware. A loose header leaks exhaust and can crack a flange. Twelve-point designs give better wrench purchase in tight header spaces.

Titanium resists the heat and corrosion that seizes steel nuts to studs.

Titanium 3/8 Inch-24 (fine thread) nuts feature 12-point heads for improved wrenching. Set of 14. Accompanying studs must be purchased separately.

SPECIFICATIONS

Material	**Titanium**
Finish	**Natural**
Thread	**3/8-24**
Head Style	**12 Point Head, Flanged**
Vehicle Type	**Universal**
Sold As	**Set of 14**

SHIPPING & PACKAGING

Package	**4.05 × 2.15 × 1 in**
Ship Weight	**0.14 lb**
Country of Origin	**USA**
Vehicle Type	**Car**
