Wheel Bearing Race

Inner / Outer · Steel · Ti22 Sprint Wheel Hub

PART NUMBER
TIP2819
View on PriceGuidePro ›

OVERVIEW

The bearing race is the hardened surface the bearing rolls on, and its condition determines bearing life as much as the bearing itself. Reusing a pitted race destroys a new bearing quickly. Races are supplied matched to their bearings for correct fit.

Always replaced as a set with the bearing.

Bearing Race, Inner and Outer.
