King Pin Cap

5/8-18 in Thread · Aluminum · Black Anodized · Ti22 Front Spindles

PART NUMBER
TIP2866
View on PriceGuidePro ›

OVERVIEW

The king pin cap seals the top of the king pin bore, keeping grease in and dirt out of the pivot. Without it, contamination reaches the bearing quickly. Aluminum caps thread in positively rather than relying on press fit.

Caps get knocked off in contact, so spares are worth keeping.

Aluminum King Pin Cap, Each.
