Wing Strap

Nose · Adjustable · 10.5 to 7.75 in Adjustable · Aluminum · Natural · Micro / Mini

PART NUMBER
TIP3780
View on PriceGuidePro ›

OVERVIEW

Wing straps tie the wing side boards to the chassis and carry the load the wing generates without disturbing airflow. A strap that bends or fails lets the wing move, changing the aero balance the car was set up around. Adjustable versions let you change wing height without fabricating new parts.

Straps are light, cheap, and take damage in contact, so spares are worth having.

Ti22 Performance TIP3780 600 Alum Nose Wing Straps 11.5in Long Plain Wing Strap - Nose - Adjustable - 10-1/2 to 7-3/4 in Adjustable - Aluminum - Natural - Micro / Mini - Each
