Wing Post Clamp

Nose · Hardware Included · Aluminum · Black Anodized · Ti22 Wing Posts · Micro / Mini

PART NUMBER

TIP3789

[View on PriceGuidePro >](#)

OVERVIEW

Wing post clamps hold the nose wing posts to the torsion tubes, carrying all the downforce the front wing generates. A slipping clamp lets wing angle change mid-race and costs front bite. Aero-profile designs match the post shape while bolting securely to the tube.

Hardware is included, and clamps are replaced when contact bends them.

600 Nose Wing Post Pinch Clamp, black.
