Rivet Link

Steel · Natural · Micro / Mini Drive Chain

PART NUMBER
TIP3871
View on PriceGuidePro ›

OVERVIEW

A rivet link permanently joins a drive chain, giving the most secure connection available for a chain under load. Unlike a clip link, it will not walk off from vibration. Correct pitch matches the chain being joined.

Riveting requires a tool, but the security is why many teams prefer it.

Chain Master Link, Rivet-Type.

SPECIFICATIONS

Material	**Steel**
Finish	**Natural**
Sold As	**Each**

SHIPPING & PACKAGING

Package	**4 × 2.3 × 0.65 in**
Ship Weight	**0.04 lb**
