DRIVETRAIN › BELT AND CHAIN DRIVE › CHAIN DRIVE COMPONENTS

Master Link

Clip Style · Steel · Natural · Micro / Mini Drive Chain

PART NUMBER
TIP3872
View on PriceGuidePro ›

OVERVIEW

The master link is the removable joint that lets you fit a drive chain without a press, making chain changes practical trackside. It is also the most likely point of chain failure if incorrectly installed. Clip and rivet styles trade ease of removal against ultimate security.

Master links are single-use in practice, replaced with every chain change.

Chain Master Link, Clip-Type.

SPECIFICATIONS

Material	**Steel**
Finish	**Natural**
Sold As	**Each**

SHIPPING & PACKAGING

Package	**4.05 × 2.6 × 1.2 in**
Ship Weight	**0.04 lb**
