CHASSIS COMPONENTS › ROLL CAGES › ROLL BAR CLAMPS

Rock Screen Clamp

1-3/8 in Tube · Hardware Included · Aluminum · Black Anodized · Sprint Car

PART NUMBER
TIP4125
View on PriceGuidePro ›

OVERVIEW

Rock screen clamps hold the screen to the chassis tubing, taking every debris impact the screen absorbs. A clamp that slips lets the screen move into the driver's line of sight. Correct tube diameter is what makes the clamp grip securely.

Hardware is included, and clamps are replaced when contact bends them.

Rock Screen Clamp, 1-3/8 Inch tube. Aluminum, hardware included.
