Header Guard

Passenger Side · Stainless · Natural · Sprint Car

PART NUMBER
TIP5108
View on PriceGuidePro ›

OVERVIEW

Header guards shield the driver and nearby components from header heat, which is significant in a tight sprint car cockpit. Unshielded headers cook wiring, hoses, and the driver's leg. Stainless construction handles the temperature without warping.

Side-specific versions match the header routing.

These stainless steel header guards are specifically designed for Sprint Cars.

SPECIFICATIONS

Material	**Stainless**
Finish	**Natural**
Location	**Passenger Side**
Vehicle Type	**Sprint Car**
Sold As	**Each**

SHIPPING & PACKAGING

Package	**9 × 5 × 2 in**
