Nose Wing Cap

Ti22 Logo · Carbon Fiber · Sprint Car

PART NUMBER
TIP6042
View on PriceGuidePro ›

OVERVIEW

Nose wing caps close the ends of the nose wing, cleaning up airflow and protecting the wing edge from damage. Open ends spill air and reduce the downforce the wing generates. Carbon fiber construction adds almost no weight at the front of the car.

Correct width matches the wing being fitted.

Nose Wing Cap, 35-3/4 Inch Wide, Carbon Fiber.

SPECIFICATIONS
