Nerf Bar

Passenger Side · 3 Point · 1 in Tube · Shorty · Stainless · Natural · Sprint Car

PART NUMBER

TIP7020

[View on PriceGuidePro >](#)

OVERVIEW

Nerf bars keep other cars' tires off your wheels, which is the difference between a rub and a flip in close racing. They must take a hit and stay attached without folding into the tire. Swedged ends fit the chassis cleanly, and side-specific designs match the mounting points.

These earn their keep in traffic, so replacements are a routine purchase.

Nerf Bar, Passenger Side, 3 Point, 1 Inch Tube, Shorty, Stainless, Natural, Sprint Car, Kit.
