Fuel Cell Mount

Clamp-On · 1.375 in Tubes · World of Outlaw Approved · Aluminum · Black Anodized · Sprint Car

PART NUMBER

TIP8004

[View on PriceGuidePro >](#)

OVERVIEW

Fuel cell mounts anchor the cell to the chassis so a full load of fuel stays put through impacts and cornering loads. This is a safety part as much as a mounting part. Clamp-on and weld-on versions suit different chassis and rule packages.

Approved designs meet what tech inspection looks for.

Six point tank mount clamps, World Of Outlaw approved. Clamp-on for 1.375 Inch tubes. Aluminum, black anodized.

Sold in pairs.
